This service is provided with the understanding that no filter is perfect in blocking all Internet sites that are in conflict with federal law. The provision of this service and an organization's voluntary use of this service are good-faith efforts to meet the requirements of federal laws. MOREnet is not liable to any party for any direct, indirect, special or consequential damages resulting from any use of this service or any outage, planned or unplanned of this service.

The billing process will begin automatically upon receipt of this order form. The service will be prorated by the month of entry for orders received after the start of the fiscal year.

By June 1 of each year, organizations will be required to provide an updated count of computing devices so that the correct number of licenses may be purchased. Organizations will then be billed the annual rate for their number of licenses.

No refunds are available with this service.

Signature indicates acceptance for actual costs and MOREnet Service Policies at http://www.more.net/about/servicepolicies/, as well as authorization to proceed with processing the order. Only persons authorized to purchase for the organization are eligible to submit this order.
